

Procedure for inside Tennis courts (Bubble): EPTC and RCTC

- All patrons are required to wear a face covering at all times in the facility- including while actively engaged in play on the courts. They must remain in place and cover both the nose and mouth to be considered effective. We encourage patrons to stay home if they are not feeling well.
- Patrons will wait until 5 minutes prior to their scheduled court time to enter the facility and proceed to check-in following social distancing markers. Please depart promptly at the completion of your court time.
- In order to promote a fluid traffic flow through our pro shop, we encourage you to not stop at the front desk on your way out to make **court rental or clinic reservations** – please call or email our front desk for reservations: 202-554-5962; ep.tennis@guestservices.com .
- No more than 3 patrons will be allowed in the pro shop/lobby at any one time.
- We encourage patrons to make purchases using credit or debit cards. Please be prepared to swipe your own card at the register – do not hand your card to front desk staff.
- Hand sanitizer will be available at each indoor court (by the net).
- Patrons will not be allowed to congregate in any area of the facility. Limited number of players per court.
- Only one parent/guardian allowed with child at the facility but no congregating around courts/lobby (if child is in a lesson then the parent may bring their own chair or wait in their car).
- Patrons are always to observe the CDC's requirements for social distancing at all times.
- Restroom usage will be limited on how many people can access at one time.
- Showers and lockers will be closed until further notice.
- Heightened cleaning procedures per CDC guidelines will be followed. Staff will clean and disinfect all surface areas every hour (counter tops, door handles, railings, computer screen, keyboard, credit card machine). The restroom will also be cleaned and disinfected at least every two hours.
